

Proposed Resolution No. 3

Submitted by: NPMHU Committee on the Future

Cindy Hoehl-Rinker, Local 321

Supporting the U.S. Mail

WHEREAS, the mail processed and delivered by the U.S. Postal Service has been a key component of the American communications system for more than two hundred years, since the Post Office was first enshrined in the U.S. Constitution; and

WHEREAS, the U.S. mail also serves as a crucial component of American business and commerce, especially with the increasing number of mailed packages; and

WHEREAS, the U.S. mail provides a secure and private means of communication and commerce in a fully unionized environment; and

WHEREAS, communications that are accomplished electronically are far less secure and less private, and are processed in what is largely a non-union environment; and

WHEREAS, examples of cyber breaches or other intrusions into electronic data and communications have become routine, with some intrusions instigated by domestic criminals or international terrorists;

THEREFORE, BE IT RESOLVED, that the NPMHU fully supports continued use of the U.S. mail for both private communications and secure commerce; and

BE IT FURTHER RESOLVED, that the NPMHU urges its members, families, friends, and business associates to use – to the maximum extent possible – the U.S. mail (rather than its private competitors) for all of their communication needs, including a follow-up hardcopy by U.S. mail in those situations when time-sensitive matters require use of electronic mail or facsimile.
