Dear Local Presidents:

I am writing to provide a reminder with regard to the timeline and notification requirements related to the ongoing election of delegates to attend the 2020 NPMHU National Convention. The following provision is included in the 2020 Rules for Delegate Elections:

“Immediately after certifying and posting the results of the election, and in any event no later than Wednesday, March 25, 2020, the certified results of the election must be forwarded to the National Secretary-Treasurer at the National Office. Along with the copy of the certified results of the election, the Judges also must complete and submit to the National Secretary-Treasurer the attached form entitled Notice to National Office of Elected Delegates to 2020 National Convention (see the form attached as Appendix L); this form shall include the USPS Employee Identification Number (EIN) for each elected delegate and potential alternate delegate, which will allow the National Office to ensure that it is accurately processing delegate credentials and other correspondence related to the 2020 Convention.”

Please note that the scheduled deadline by which the Judges must certify and post the delegate election results, and to provide my office with those certified results, is March 25, 2020. Please also note the requirement that the Judges complete and submit to my office, again no later than March 25, 2020, the completed Notice to National Office of Elected Delegates to 2020 National Convention. That form requires submission of each delegate’s Employee Identification Number (EIN), which will assist the National Office in properly identifying the elected delegates and alternate delegates in our computer system as we prepare for the Convention proceedings. That form appears in the 2020 Rules for Delegate Elections as Appendix L. I have attached a copy of that form to this correspondence for the convenience of your Judges of Election.

Additionally, as discussed during recent SAMLU meetings, the negotiated nightly sleeping room rate was subject to government per diem fluctuations

and will be \$195 for single/double occupancy and \$220 for triple occupancy, before taxes and other expenses. These rates are in accordance with the 2020 government per diem at the time of the convention.

Finally, I have received several questions about payment and collection of the 2020 NPMHU Convention registration fee. As you will recall, in June 2019, the National Executive Board approved a registration fee of one-hundred and twenty-five dollars (\$125) per delegate. Each Local Union will be required to pay this registration fee for each delegate who will be representing the Local Union at the National Convention. I will be sending additional details about the collection of the National Convention registration fee in the coming weeks.

Thank you for your attention to this matter.

Fraternally,
